Physician or Certified Nurse Midwife Name:	
My delivery is planned as:  Vaginal C-Section VBAC (Vaginal Birth After Cesarean)	I would like to have these persons present during the birth  1
Labor For comfort measures during labor, I would like to:  Walk in the room/hall Use the birthing ball Use heat/cold massage Use water therapy (whirlpool/tub) Use my own pillows	<ul> <li>☐ Have clear liquids (water, juice, Jello)</li> <li>☐ Use shower</li> <li>☐ Use squat bar</li> <li>☐ Sit in rocker</li> </ul>
I would like to wear:  Hospital gown	☐ My own clothes
Pain Control For pain control:  ☐ I'm uncertain what I will want and plan to wait and see what I need. ☐ I strongly desire a drug-free birth ☐ I want to self-administer nitrous oxide (laughing gas) as I need it	☐ I am planning IV pain medication ☐ I am planning an epidural when I am in active labor
During the pushing phase of labor, I would like to:  Use the foot pedals  Use the stirrups  Use the squat bar  Use whatever method is most comfortable at the	

<ul> <li>For intravenous access, I would prefer:</li> <li>That upon admission, routine lab work will be drawn and at that time, tubing will remain in place and a saline lock created.</li> <li>If an IV must be connected, I do not want any pain medications administered through the IV without permission from me or my significant other.</li> <li>To be kept informed at all times regarding IV fluids I am receiving, medications and their purpose.</li> </ul>		
If a C-Section is necessary:  I would like my partner to remain with me the entire time.  I would like my partner or me to hold the baby as soon as possible.  To breastfeed in the recovery room  It is OK if family members see/hold our baby in the recovery room before I do.  I would like only my partner to see/hold our baby in the recovery room.		
<ul> <li>During birth:</li> <li>I want to see the baby's head (in a mirror) as it crowns.</li> <li>I want to touch the baby's head as it crowns.</li> <li>I want my partner to help catch the baby. (if appropriate)</li> </ul>	Immediately after the delivery, I would like to:  Place baby skin-to-skin  Wrap baby in blanket before holding  Breastfeed my baby within the first hour  Have my significant other cut the cord  Have my baby's first bath in my room	
Feeding:  I plan to breastfeed  Please assist me with nursing as soon as possible after the birth  Please no supplemental formula to my baby without my permission.  Please no pacifiers without my permission.  I plan to bottle-feed my baby	If I have a boy, I would like the baby to be circumcised:  Yes No	
	I would like my newborn to:  Stay in my room as long as he/she is stable Have pictures taken in a special outfit I will provide	
Discharge Timing  ☐ I am planning the usual discharge timing (2 days for vaginal birth, 3 days for C-section)  ☐ I would like early discharge 24 hours after delivery (discuss with baby's provider)	I plan to attend, or have already attended, these classes during this pregnancy:  Early Pregnancy Baby Basics Basic Training for New Dads Breastfeeding Basics Childbirth Preparation
